CHARTING HOW WE ARE DOING

Marriage Encounter Online

Chart how you are doing on the major goals you agreed upon when you filled out "Our Couple Plan for the Future." There is also room for you to track your main individual goals from "My Individual Plan for the Future".

Rate your progress in reaching each goal once a week, on the same day each week. **There are four rating choices – P-poor, F-fair, G-good and GR-great.** Your choice is based on reflecting on the past week and what your gut is telling you. Mark each goal the same way. After a month of rating yourselves the chart will be able to give you a pretty good idea of where you are succeeding and where you need to work harder. Keep trying. You can do it. God bless you!
